

Hello TACMO Families!

We are lucky to have access to TCOE's Educational Resource Services student portal access year round! Everything has been vetted by educators to be safe for children. There are so many learning tools that can be accessed on a tablet or computer.

Check it out! To log on:

kids.erslibrary.org

There are so many online resources to access. A few of our favorites that are perfect for elementary kids are:

- **Proquest**
 - **SIRS tab**-grades 1-9 research portal-reference materials, images, videos by topic (can search by grade)
 - **CultureGrams tab**-geography
 - World, states, kids edition, provinces
 - Can look up a country and see info (hear anthem, see flag, facts, land/climate, recipes, videos, etc.)
- **Teachingbooks**-online materials about books-can search by subject like math or an author (multi-media resources)
- **Encyclopedia Britannica** (Elementary) and **World Book** (Kids version)-so much more than encyclopedias! (articles, videos, games multi-media)-in English and Spanish
- **Tumblebooks**-read along, ebook, graphic novels, non-fiction, videos, math stories
- **Discovery Education**-videos, virtual field trips, virtual reality
- **Peekaville**-social-emotional learning tool, new resources, online game
- **Education city**-TK through 6th grade site to search activities by content and grade level

A complete list of digital resources is attached. Happy learning!
