

Grades 3-5 Distance Learning Daily Schedule

Go [here](#) if you have general questions about how to use Khan Academy as a teacher or parent.

Time	Activity
8am - 9am	Breakfast/Get ready for an awesome day! And yes, change out of PJs :)
9am - 9:40am	<p>Assuming you've gotten a good night of sleep, your thinking will be sharpest in the morning so let's start the day strong with some math! Whoo hoo!</p> <p>Khan Academy math practice has got your back. Depending on your confidence and grade level, one of the following courses are likely good for you:</p> <p style="text-align: center;"> 2nd grade math 3rd grade math 4th grade math 5th grade math </p> <p>One practice that we've seen teachers and students use to great effect is to start, regardless of age, on Kindergarten and then move to 1st grade, 2nd grade, etc. Course challenges and unit tests can be used to accelerate through material. If you don't have too many gaps, you should be able to get through a previous year's content in 1-3 hours. If you do have gaps, it may take a bit longer, but that is good! This is your chance to fill in those gaps that might otherwise hold you back in the future.</p> <p>You'll see that if you are able to put in at least a solid 30 minutes a day of math practice and keep leveling up skills, you'll see big gains and, most importantly, really see the world in new and exciting ways!</p> <p>One you are at your grade level, try to set a goal of leveling up at least 3 skills a week.</p>
9:40am - 10am	Play. Ideally play outside. Get that heart pumping.
10am - 10:30 am	<p>We just released the first version of reading comprehension practice on Khan Academy. It is grouped by grade level:</p> <p style="text-align: center;"> 2nd grade 3rd grade 4th grade 5th grade 6th grade 7th grade 8th grade </p> <p>We recommend starting at your grade level and doing 1-2 practice sets per day (or 10 practice sets per week). This should take about 10-20 minutes per day. If you find it</p>

	difficult, completely okay to start at an earlier grade level. Likewise, if you find the passages and questions to be easy, feel free to move to higher grade levels.
10:30am - 11am	Silent reading. Curl up with a favorite book or magazine. Here is a great list of titles that you might want to get your hands on: http://www.ala.org/alsc/sites/ala.org.alsc/files/content/compubs/booklists/summer/alsc-2019-summer-reading-list-grades3-5.pdf
11am - 11:20am	Break/walk/play. Try to get that heart pumping again!
11:20am - 11:40am	Khan Academy Grammar: https://www.khanacademy.org/humanities/grammar Recommend starting by taking the course challenge a few times to figure out what you know and don't know.
11:40 am - 12pm	Journaling/writing. Things to write about/prompts: Write a funny or exciting adventure story about what happens when school is closed. What are you excited or worried about? Write a letter to yourself 10 years in the future. What do you want to tell your future self? How do you think the world will be different after the novel corona virus?
12pm - 1pm	Lunch - Listen to an educational podcast! Try Brains On! If you like science, Forever Ago if you like history, or Story Pirates to hear funny stories written by kids.
1pm-2pm	Enrichment: Khan Academy computer programming Programming computers is far more fun and creative than you probably ever imagined. Start by creating fun cartoons and animations and work your way up to creating fun games that your friend can play.
2pm-8pm	Relax, go outside, work on passions, time with family.
8-9pm	Lights out, time to sleep!
